Personal Skills

1. Strong Interpersonal and Communication skills that made several fundraising events a great success.
2. Fast Learner and a natural leader who led several non-profit events such as the Terry Fox Run, Walkathons, Habitat for Humanity. I also worked in Palliative care for Cancer patients abandoned by their families and taught the underprivileged children free of cost.
3. Made designs that were the hallmark of various important events such as the CIS Model United Nations (certified by the UN), a national Mathematics event and many other events.
4. Experienced in outreach, communication and customer service done as part of The New School Academic advising team.
5. Learned crucial leadership and success skills through being a participating member of the National Society of Leadership and Success.

Awards & Recognition

1. Dean's List Fall and Spring, Freshmen Year with of GPA 3.81
2. Artwork Exhibited during Parson's Gala 2017
3. Featured on Adobe Student's Instagram
4. Artwork featured on 12th Street Journal's Issue 10
5. Featured on Parson's Instagram for Book Design
6. Won several technology quizzes and olympiads.

Experience

The New School 2016 to 2016

Senior Peer Advisor (Current)

A intensive student worker position at the main academic advising hub. I was responsible for creating university-wide graphics, research and communication with over 3,000 students.

The New School 2016 to 2016

Making Center Tech

A studentworker position at the new school making center. I was responsible for management of equipment, store and customer service with all university students.

Wolken Software 2015 to 2015

Creative Intern

An intense 1-week internship with Wolken Cloud Software in Bangalore, India. I was responsible for building android templates, brainstorming and testing.
